Students life information

Period of integration	Exchange students are advised to be present the first days of semester to attend the 'Welcome Day'. In September, the opening sessions of each degree (L3 & Master1) at the Auditorium, are also opportunities to meet all the teaching staff. Two weeks of 'adaptation' is offered to incoming students allowing them to integrate, familiarize and modify their programme at the beginning of each semester.
Student units accommodation	In the frame of an agreement with CROUS housing department, ÉNSA Versailles has units available in CROUS residence halls for exchange students. However, we cannot guarantee any reservation managed by CROUS as our limited quotas cannot meet all demands.
